

Project 2010 Advanced Workshop

The participants will learn how to use the advanced features of Project 2010. This workshop is designed to teach you a basic understanding of Project 2010 in a practical way. This workshop incorporates a hands-on approach to learning. They will get a chance to practice some of the advanced features right on a computer.

Project 2010 has been completely redesigned, and we must say, we're pretty excited! Whether you've been using Project for years, or haven't opened it yet, you'll appreciate this course's information on using the new interface. Of course, we'll also work through the basics, including how to create projects, add tasks and resources, and customize your view.

Workshop Objectives:

- Split the view
